

15. (Original) A test kit for detection of ATP in a sample, comprising one or more reagents including a reagent comprising a cationic extractant and an anionic substance.

REMARKS

The presently filed application is a divisional of U.S. Serial No. 09/933,985, filed August 21, 2001. Applicants have added the sentence "This is a divisional of U.S. Ser. No. 09/933,985, filed. August 21, 2001." to the first page of the present application. Enclosed herewith is a new version of Page 1 of the present application with this additional sentence. Applicants have cancelled original Claims 7-9. Claims 1-6 and 10-15 are in the present application. Applicants respectfully request examination of Claims 1-6 and 10-15 of the present application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Bruce S. Weintraub", with a stylized, cursive flourish extending to the right.
